MR. CHAIRMAN: Question No. 150.

Encroachments on public land in Delhi

*150. SHRI M. KADHARSHA:†
DR. C. SILVERA:

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it is the policy of Government to check encroachments on public land in Delhi;

(b) if so, whether it is a fact that encroachment on public land in B-Uttari Block, Vishakha Enclave, Pitampura, Delhi along the outer Ring Road, is increasing fast by Jhuggi-dwellers with the connivance of the D.D.A and the M.C.D officials on the plots which are proposed to be auctioned;

(c) if so, whether it is also a fact that the D.D.A. had demolished the jhuggis last year but the jhuggis have against come up in larger numbers creating problems of law and order and of sanitation for the residents of the area;

(d) if so, what steps Government propose to take clear the said area of the jhuggis as also to check the encroachments in future; and

(e) by when the jhuggis are likely to be demolished?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) Yes, Sir.

(b) to (e) The encroachments in question have since been cleared, by the DDA. To prevent future encroachments in the area, the DDA is maintaining a strict watch, besides asking the local

police to prevent resquatting. The Engineering staff of the DDA has also been asked to fence the area.

SHRI M. KADHARSHA: Sir, Delhi was described as a jewel of the world where dwelt only the loved ones of Allah. This is how Emperor Bahadur Shah Zafar described Delhi. But today it is violating all norms of city planning and unauthorised construction are going on in the whole of Delhi. If these are allowed to go on at the same speed, soon Delhi will turn into a slum of India. Sir, some plots mentioned in the question were cleared of encroachments last year but again some slums came up. I would like to know what action the Government has taken to vacate them. I would also like to know whether the Government has received any report that there is a close nexus between the DDA officials and land-grabbers. If so, what action was taken against those corrupt officials? If they are unauthorised colonies then how have electricity and water connections been given to them. I would like to know whether the Government will order a probe into these misappropriate actions.

श्री दलबीर सिंह: श्रीमन्, माननीय सदस्य ने अपने प्रश्न में यह कहा है कि डी.डी.ए. में ऐसे अधिकारी हैं जो भ्रष्ट हैं। मैं यह कहना चाहता हूं कि ऐसा कुछ नहीं है। डी.डी.ए. में अच्छे सक्षम अधिकारी हैं, एडीशनल कमिश्नर के रैंक के अधिकारी हैं... (व्यवधान)। यहां पर पांच जोन बने हुए हैं। माननीय सदस्य ने कहा कि दिल्ली में बहुत लोग आते हैं। जैसा अभी हमारे सीनियर कोलीग ने कहा, सारी स्टेट्स से दिल्ली में लोग आते हैं। लेकिन यहां पर सबसे बड़ा प्रोबलम एनक्रोचमेन्ट्स का है। पहले भी इस संबंध में प्रश्न हुए हैं और उनके उत्तर दिये गये हैं। यह सिर्फ डी.डी.ए. का ही काम नहीं है बल्कि और भी लोकल बोडीज हैं, जैसे एम.सी.डी. है, वे भी इसको देखते हैं। यहां पर रेलवे की, टेलीकम्यूनिकेशन की और अन्य संस्थानों की जगहों पर एनक्रोचमेन्ट होता है। इसी मामले के तहत सन् 1985 में होम मिनिस्ट्री ने एक बैठक बुलाई थी। उसमें सभी डिपार्टमेन्ट्स और बोडीज के अधिकारियों ने भाग लिया था। इसलिए मैंने कहा कि परटिकुलरी डी.डी.ए. को ही रिस्पोंसिबिलिटी नहीं है, अन्य डिपार्टमेन्ट्स को भी इसको देखना है।

SHRI M. KADHARSHA: Sir, the plots mentioned in the question are not only prestigious but if they were sold by auction they would fetch crores of rupees to the Government. With this money the Government could find alternative accommodation to the slum dwellers. Sir, it has been reported that five million people are living in slums in Delhi in sub-human conditions. I would like to know whether the Government will make a list of vacant lands and plots belonging to the DDA and whether these particulars will be given to the police for prompt action and I would also like to know what amenities the Government is going to provide to the slum dwellers. Secondly, Sir, the DDA was originally set up to look into the planned development and social housing of Delhi but it has totally failed in this objective. So, I would like to know whether the DDA will be disbanded...

MR. CHAIRMAN: Do you want and answer or not? The Question Hour is drawing to a close.

SHRI M. KADHARSHA:...or reorganised to meet its original objective.

श्री दलबीर सिंह : श्रीमन्, हमारे पास आलरेडी ऐसी संस्थाएं हैं जो स्लम्स डवेलर्स की स्कीमों को देखते हैं। इसके लिए सरकारी स्कीम्स भी हैं। हमारे जो स्लम्स डवेलर्स हैं वे अच्छे तरीके से रह सकें, उनको अच्छी से अच्छी सुविधाएं प्राप्त हों, इसके लिए उन्हें ट्रांजिट कैम्पस में भी रखा जाता है। इस काम के लिए विभाग बने हुए हैं जो स्लम्स डवेलर्स के काम को देखते हैं। एनक्रोचमेन्ट के लिए और इसको रोकने के लिए लोकल पुलिस है, लोकल अथॉरिटीज हैं और हमारी यह कोशिश रहती है कि एनक्रोचमेन्ट न हो।

MR. CHAIRMAN: General Aurora, there is very little time left. Would you like to put a question?

SARDAR JAGJIT SINGH AURORA: Sir, I want to ask only one thing. I have seen in one particular area near my colony, New Friends Colony, where the Lt. Governor came and gave orders for demolition some time back a few days later the buildings were rebuilt under the influence of some political bigwigs. Is there an answer to it?

MR. CHAIRMAN: Question Hour is over.

WRITTEN ANSWERS TO QUESTIONS

Clandestine sale of Calcium Ammonium Nitrate

*144. SHRI SATYA PRAKASH MALAVIYA:
SHRI RASHEED MASOOD:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government's attention has been drawn to the press report which appeared in the Hindustan Times of 4-2-1987 regarding the clandestine sale of imported Calcium Ammonium Nitrate obtained from the FCI warehouses which have become sub-standard with the passage of time and its mixing with fresh CAN to produce ammonium nitrate, an ingredient for explosives in violation of the Fertiliser Control Order, 1985; and

(b) if so, what action has been taken by Government in the matter?

THE MINISTER OF AGRICULTURE (SHRI G. S. DHILLON): (a) and (b) Yes, Sir. Government's attention has peared in the Hindustan Times of been drawn to the press report which ap- 4.2.1987, with caption of "Fertiliser being used to make explosives".

Sale, price and quality of fertilisers are regulated through Fertiliser (Control) Order 1985, which has been issued under the Essential Commodities Act, 1955. Clause 23 of the said order provides for disposal of non-standard fertilisers to safeguard the interest of the farmers. Non-standard fertilisers can be sold only to manufacturers of mixtures of fertilisers or special mixtures of fertilisers or research farms of Government or Universities or such bodies.

Again under Clause 25 of the Order, no person shall, except, with the permission of Central Government and subject to such terms and conditions as may be imposed by the Government sell or use fertilisers for purposes other than fertilisation of soils and increasing productivity of crops. The price of fertilisers permitted for sale for industrial purposes shall be on no profit no loss basis.

The State Governments who have been delegated the powers to enforce the Fertiliser Control Order in the States, have been asked to keep a strict vigil on the unauthorised diversion of fertiliser for industrial purposes and to take legal action against the offenders.

The news item which appeared in the Hindustan Times dated 4.2.1987 regarding use of fertilisers to make explosives was also brought to the notice of the State Governments, with a view to ensuring that fertilisers are not used for any commercial purpose unless specifically permitted.

The Food Corporation of India has also been asked to stop the sale of substandard cam to private parties and explore the possibilities of sale to government industrial institutions.

Compensation Scheme for Retrenched employees of FCI
